

RELIEF NURSE

POSITION: Harbor-UCLA Medical Center is currently seeking highly qualified individuals to fill the positions of Relief Nurse in the ***Medical/Surgical, Telemetry, Step-Down and Perinatal Areas***. These positions focus on applying recognized nursing principles/practices and developing nursing knowledge and skills while providing professional nursing care to patients in a variety of settings under close supervision, typically reporting to and frequently seeking consultation from higher level nurses. Incumbents to this position are responsible for assessing, planning, implementing, and evaluating care as part of an interdisciplinary team and may provide direction to other paraprofessional staff and unlicensed assistive personnel. The Relief Nurse is a temporary position.

RESPONSIBILITIES:

- Provides direct patient care using the application of knowledge and skills in the care of medical, surgical, perinatal and critical care patients
- Conducts ongoing assessments, reassessments and monitoring; implements point of care testing, treatments, interventions and clinical standards for patients
- Communicates and collaborates effectively as a member of an interdisciplinary healthcare team
- Participates in patient care conferences, committee meetings, staff development, and education programs to increase or maintain professional competency
- Seeks experiences that reflect current clinical practice to achieve and enhance professional and clinical skills and competencies
- Provides care in a non-judgmental, non-discriminatory manner
- Completes and maintains accurate and legible documentation and records in a clear, concise, and timely manner
- Delegates, assigns, and/or supervises as needed the assigned work of others including Licensed Vocational Nurses (LVNs), nursing attendants, technicians, clerical staff, and students.

DESIRABLE QUALIFICATIONS:

- One year Medical Surgical experience as preferred.
- Effective interpersonal and organizational skills, critical thinking, decision making, problem solving skills and ability to work collaboratively as a team leader as well as team member
- ACLS, Basic Dysrhythmia- preferred

Interested candidates must either currently hold the payroll title of Relief Nurse in the County of Los Angeles to be considered for a lateral transfer or a reachable candidate on the DHS certification list to be considered as a new-hire. Resumes will be accepted until the needs of the department are met.

The highest reviewed and qualified candidates will be contacted for interviews. Interested candidates, please submit a cover letter, resume, 2 years performance evaluations and last two years of time records to:

rguitche@dhs.lacounty.gov or alnoel@dhs.lacounty.gov
